

ACADEMIC AFFILIATE APPLICATION

Founded in 1999, the International Coalition of Sites of Conscience is the only worldwide Network of historic sites, museums, and memory initiatives that connect past struggles with human rights. With over 250 members in 65 countries, as well as dozens of global partnerships, we build the capacity of these vital institutions through member grants, networking, training, and advocacy.

The Coalition believes that the complex challenges faced by our members and their communities are best addressed when people with a broad range of knowledge, skills and personal experiences come together. Our Academic Affiliates program brings academic education programs into partnership with Coalition members to learn, connect, collaborate on projects, and deepen the collective practice.

How did you learn about the Coalition?

Communications and Promotion:

The Coalition regularly promotes its affiliates through its print and online outlets. To accommodate this, please attach two descriptions of your program a brief, 1-2 sentence summary, and a more detailed paragraph (around 150 words) describing your mission and activities.

In addition, please email 4-6 photos that are representative of your work, at no less than 1200 X 1800 pixels (300 DPI), to memberinfo@sitesofconscience.org. Ideally, we would appreciate a mix of still shots of your location and more action based shots with people engaging in activities.
